## THAI WINES

### MONSOON VALLEY WINES - THAILAND

Monsoon Valley Vineyard is built on a former elephant corral in Central Thailand, a sublime place where wild Asian elephants were domesticated. The terrain of loamy-sand and slate and constant ocean breeze allow international grape varieties to thrive and produce aromatic and award-winning Monsoon Valley Wines.

The white varieties are extremely aromatic and straight forward in their fruit profile, reminding a lot of New World wines with crisp with refreshing finish. The red wines show their typical character with hints of spice, some smokiness, jam and dark fruits. Their body is on the elegant side and balanced with a racy acidity more reminding of old world wines.

### MONSOON VALLEY COLOMBARD, 12%
